NOGALES. [Starts on p 217] Pop 7,000 with its sister city Santa Cruz county. Altitude 3,565 feet. The county seat known as "The Line city" on the border line between U.S. and Mexico which is an international street which separates Nogales from the sister city Nogales Sonora which has a population of 3,000. On the main line and at the junction of three branches of the S. P. R. R. 260 miles s w of El Paso Tex being the overland gateway to the numerous thriving Mexican ports on the west coast. It is a principal port of entry for the districts of Arizona the custom receipts amounting to more than \$2,0000 annually. Has one of the most delightful and equable climates known. Is an important mining commercial and manufacturing center. Great areas of rich fertile lands that are susceptible of high and profitable cultivation are tributary. Nogales has a \$45,000 court house build
